

bbRad how to: Set up a favourite destination

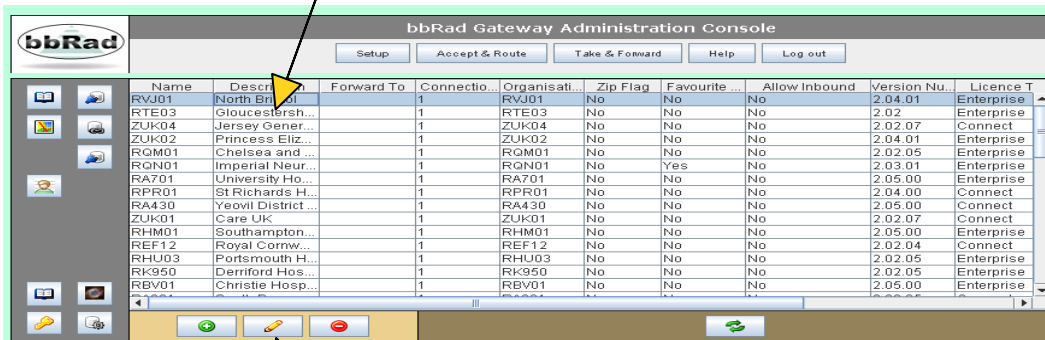

1. Log on to your bbRad administration console using your user name and password.
2. Select the 'Setup' button

3. Select the open book icon on the left hand panel (labelled “configure recipients”)

4. This will now bring up a list of all the sites on the bbRad network. Now click on the site you wish to add to your favourites then click on the edit pencil at the bottom.

The screenshot shows a table of sites in the bbRad Gateway Administration Console. A yellow arrow points to the pencil icon at the bottom of the table, which is used to edit a site. The table contains the following data:
